We've been livestreaming our services for several months now, and we're grateful that technology has enabled us to continue meeting as a community. States are reopening and restrictions have eased, but in a month, cold weather and flu season will be upon us. Our weekly Shabbat services will remain virtual only for the time being.

We are still discussing whether we can hold our High Holiday services at the synagogue. Please stay tuned: if we are able to hold them in person, we will let you know by email, Facebook, and on the website.

## Stump the Stars & Havdalah

— Every 2nd and 4th Saturday, 7pm —

Join us every 2nd and 4th Saturday of the month at 7pm for **Stump the Stars!** John and Patrice will be available to answer (most likely) questions you always wanted to ask a rabbi. The session will be followed by havdalah as we celebrate having enjoyed another Shabbat. Join us by video conference through the link below. See you there! We've even created an email address that you can send questions to during the weeks between sessions: [stumpthestars@gmail.com](mailto:stumpthestars@gmail.com). However, please keep your questions brief and of general interest.

**Stump the Stars / Havdalah** will be held through **Webex**, at the web address below. We start at **7:00 pm**, but the meeting room will open twenty minutes early to help attendees set up, especially with a new platform. Please remember to mute your microphones when you're not speaking. <https://ohrchadash.my.webex.com/meet/ohrchadash>
